## Harold Rosenberg Nominated To Head Pahokee Rote Club

At a meeting of the nominating committee of the Pahokee Rotary Club held recently Harold Rosenberg, present secretary of the club and secretary of the Pahokee Drainage District with offices in Canal Point, was named as president on the slate of officers to be put before the club in its annual election.

For secretary and treasurer of the Pahokee club the nominating group picked Clyde Alley who is City Clerk in Pahokee. Mr. Alley is a former foot ball coach for PHS and a popular Rotarian.

Elmer Jones was recommended for vice president and directors are as follows: Claude Shirley, Joe Kahn, Ellsworth Keen and Gene Pickren.

Election of officers will be held Thursday, March 22 in order that newly elected officers will have time to become oriented before attending the district conference to be held in Palm Beach on April 22, 23, 24.

## Contract Let For Glades Canal In Water Control Plan

Robert Lee, Inc., of Manning SC, has been awarded a \$1,317,262 contract for construction of Levee 8 extending 21.7 miles southeastward from Lake Okechobee in Palm Beach County to intersection with the West Palm Beach Canal near 20-Mile Bend.

District Engineer Col. Richard W. Pearson is quoted by the United Press also as saying that the Hooper Construction Co. of Coral Gables has been awarded the contract for construction of 15-mile levees L33 and L37 near Miami, although its bid of \$1,270,862 was 25 percent higher than the Government estimate.

The Hooper Co.'s bid had been rejected at first, but the company had protested the Government estimate was faulty.

### JUNIORS REWARDED

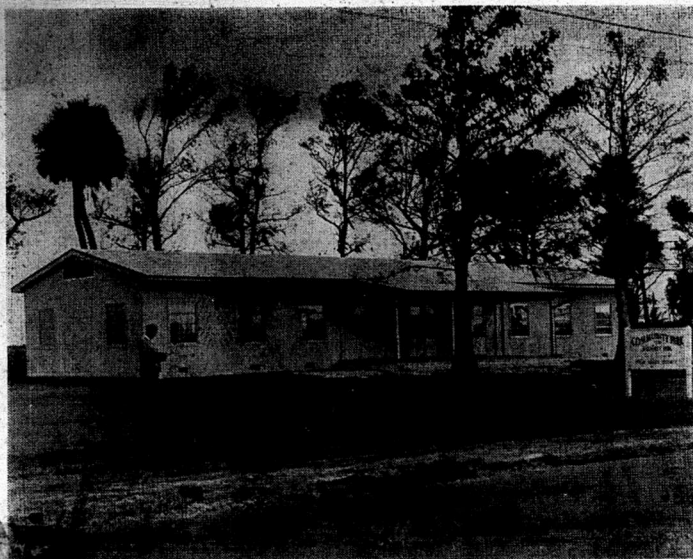

Members of the Pahokee High School Junior, Class who showed outstanding salesmanship in the magazine sales project recently sponsored by the class were presented with special awards during the assembly program Friday.

Trophies were presented to Joann Platt, Gloria Stuart and Louise Hatton, each of whom topped \$100 in subscription sales and certificates were presented to juniors who sold \$30 or more in subscriptions.

Mr. and Mrs. Lloyd Hundley and sons, accompanied by their parents, Mr. and Mrs. W. S. Hundley, of Kansas, who are their house guests, were visitors in Miami Saturday.

U. S. Marines assisted in the relief of Peking, China, during the Boxer Rebellion in 1900.

### Legion Plans For New Bean Festival

Final plans for the Pahokee Fair and Bean Festival to be held on the Pahokee Legion grounds Mar. 12-17 under the sponsorship of Fred and Percy Mansfield Post 90 were made by members of Post 90 at a meeting in the Legion Hall Monday night.

In addition to the Legion Hall, a 40 by 60-foot tent will be set up on the grounds for the exhibits which will include flowers, vegetables and other displays relating to Glades agriculture.

A cooking school will be held in the hall each day and there will be television shows as well as other forms of entertainment. A special matinee for children will be held on the midway Saturday afternoon. A colorful advertising banner will spread across the entire front of the grounds.

It was announced that Post 90 will conduct regular weekly meetings on Monday nights at 8 o'clock.

### Mrs. Stamps Honored With Farewell Party

The Pahokee First Baptist Choir honored one of its members, Mrs. Charles Stamps, with a surprise farewell party and shower on Wednesday evening following the regular practice session. Mrs. Stamps is moving to Miami this week.

### Strickland Talks To Canal Point Lions

J. W. Strickland, administrative officer for the Production-Marketing Association, was guest speaker at the dinner meeting of the Canal Point Lions Club Monday night. Introduced by A. R. Harrington, program chairman, the speaker explained to the Lions the program of PMA.

The club voted to furnish refreshments at the public ceremonies dedicating the new recreational building at the Canal Point Community Park Sunday. President Boyd Vorhees presided.

### Joint Meeting Of PTA Groups Mon.

The Pahokee and Canal Point Parent-Teacher Associations will meet jointly in the high school auditorium Monday, Mar. 12, at 8 p. m. to hear a concert by the Pahokee High School Band under the direction of Bandmaster Robert O. Lampi.

Guests of honor at the joint meeting will be Mrs. M. D. Worley, West Palm Beach, president of the PTA County Council, and Mrs. A. O. Pittman of Stuart, PTA regional director. The Pahokee group will act as hosts and Mrs. J. C. Schoepel, president of the Pahokee PTA, will preside. Mrs. Pope Sears, president of the Canal Point PTA, urges all members of her group to attend.

County Commissioner Lake Lytal of West Palm Beach will deliver the address at the dedication of the Palm Beach County Park building in Canal Point, at three o'clock Sunday afternoon, according to Commission Chairman Paul Rardin, under whose direction the dedication will be carried out.

The Gardenia Garden Club under the direction of Mrs. C. G. Coughran, president, will decorate the building for the occasion. The Canal Point Lions Club voted unanimously at its Monday night meeting to furnish free Coke, to all who attend the dedication.

The handsome new building was built under the Palm Beach County park plan which was set up by law in the 1941 legislature. Don Hillier and Sons, Pahokee contractors, built the building for the county at a cost of \$30,000.00. It is one of the outstanding buildings in the entire Glades and will become an essential part of community life in the area it was built to serve.

Commission Chairman Rardin said that a cordial invitation is extended to every Palm Beach county resident to attend the dedication ceremony and see first hand the beautiful new community center.

## Two New Roads Are In Rardin's Plans For The Lake Area

Contractors are busy rebuilding Bolles Canal Road east from Highway 27 at Okeelanta, according to County Commission Chairman Paul Rardin, under whose direction the road is being rebuilt out of the seventh cent of the state gas tax.

Rardin explain that a county road was built on the same location several years ago but the 1947 hurricane and flood ruined the road. Under the seventh cent set-up, brought about by the State Road Department in 1950, the Glades commissioner designated rebuilding of the road as the first project in his district. Ultimately the road will be rebuilt for a distance of about three miles to a point where it intersects the Vinegar Bend Road.

Another new road under the seventh cent set-up and in this year's SRD budget is the one leading from State Road 15 at Cardwell across to the Bacom Point extension (SRD717). Contract on this entirely new road will be let sometime within the next few months, Rardin said.

## Cattle Bringing Unusual Prices

There has been a marked expansion in the cattle industry since the Glades Cattle Market was established for weekly sales for cattlemen. The sales are conducted each Monday at the modern marketplace between Belle Glade and Pahokee.

According to George C. Young, manager, 216 cattle were sold at the market this week for an average of \$233.73. Slaughter steers, good and choice, brought \$34 to \$34.50 per hundredweight; commercial grade, \$30 to \$32.00; Utility, \$28.25 to \$31.75.

Stocker steers, which have been in the spotlight for the move briskly at \$27.50 to past two weeks, continued to \$30.00. These 500-600 pound steers are in demand to replace the fat cattle which have been going to market since the first of the year, Young said.

Returns on aged stocker cows were \$21 to \$29. These stocker cattle go to other cattlemen for finishing as beef or they may be retained by commercial herd owners.

## Band Participates In Sun Dance Parade

The Pahokee High School Band under the direction of Bandmaster Robert O. Lampi took part in the "Starlight Parade" of the Sun Dance Festival in West Palm Beach Wednesday night of this week.

The band will present a concert on the program of a joint meeting of the Pahokee and Canal Point Parent-Teacher Associations in the high school auditorium Monday night.

## Welfare Group To Ask Laws To Stop Abuse And Waste

OCALA—If the recommendations of the welfare committee of the 1951 legislature are given consideration, laws affecting welfare in this state will be tightened to stop abuses and waste.

The committee, meeting in Ocala last week, voted to urge legislation that would make public the names of those on relief rolls and refused to go along with welfare bureaucrats in their effort to get the Florida legislature to approve federal rulings that would keep names of welfare recipients a deep dark secret.

Committee members were caustic in their criticism of the federal requirements and some members were for action to break the federal rule, which during the 1949 session blocked a legislative investigation of the welfare rolls.

One committee member said he thought the legislature should seek relief from this and similar federal restrictions; another said, "If the legislature cannot get to the rolls, we are in a hell of a fix."

New Dealers and a Welfare Staters buttoned up the relief deal so that no one but the bureaucrats themselves know who is getting the money, and under the present set up it is wide open for every kind of abuse.

The attitude of the legislative committee will meet hearty public approval, and if the legislature takes action to curb welfare waste and abuses they will find the people of this state behind them 100 per cent.

One sore spot was the revelation that some Floridians receiving public assistance funds as needy blind own and drive automobiles on public highways, holding drivers licenses. In all probability the legislature will require that all drivers take a physical examination; at present old licenses are renewable without any test of fitness to drive.

State Welfare Commissioner Sherwood Smith points out that his job is to see that the needy blind are cared for and the matter of drivers licenses is up to the State Highway Patrol, but the Highway Patrol does not have ac-

## Marine Corps Has Officers' Openings

JACKSONVILLE—Young Floridians may now qualify for commissions in the Marine Corps Reserve, according to Capt. J. J. Reardon, State Marine recruiting officer.

Reardon said that the commissioning program will be conducted by Capt. Monroe E. McNeil, procurement officer for the southeast, and will be available to graduates, seniors and underclassmen of accredited colleges.

McNeil, who is currently touring the southeast, may be contacted through Marine Corps Recruiting Stations, which are located in Daytona Beach, Jacksonville, Miami, Ocala, Orlando, Tallahassee, Tampa and West Palm Beach.

Graduates and seniors attend a 10-week summer training course and upon successful completion receive commissions; underclassmen attend two summer training courses and upon successful completion and graduation from college receive commissions. Women graduates, undergraduates and former enlisted women of the Marine Corps or Marine Corps Reserve also attend two summer courses and upon satisfactory completion of the course and upon graduation, or in the case of former Marines upon successfully passing an equivalent test, receive commissions.

The training for men provides theoretical and practical military instruction, with emphasis on the tactics and techniques of the squad, platoon and company. Specialized weapons instruction and firing constitute an important part of the course. Classes are not competitive in the sense that many candidates "washout." The purpose of the program is qualification for commissions.

The training for women is conducted to provide the military instruction necessary to prepare members of the class for an appointment to commissioned rank in the Marine Corps.

cess to the relief roll and has no way of knowing how many blind or deaf and dumb people are driving cars and at the same time drawing taxpayers' money.

## Safety Council Will Sponsor Contests

The Palm Beach County Citizens Safety Council, Incorporated, is sponsoring the United Commercial Travelers Annual International Safety Poster Contest in all the public and parochial schools in the County, according to A. E. (Art) Bound, President of the Safety Council.

All pupils are eligible, provided they are less than nineteen years of age at their last birthday and are not students of colleges or institutions of learning above the high school level.

The objective of the contest is to enkindle safety consciousness in the minds of all students and prizes of twenty-five (\$25) for first, ten dollars (\$10) for second, and five dollars (\$5) for third places will be presented by the local chapter of the United Commercial Travelers, Mr. Bound said. The winners will also be sent to Columbus, Ohio, the last week of June, 1951 to enter the United Commercial Travelers Supreme National Contest.

A panel of five judges composed of representatives of the Safety Council, County Traffic Courts and Traffic Departments, and the Art Departments of various county schools will meet on or about April 12, 1951 and judge the posters on the basis of originality, artistic ability and neatness. Mr. Bound said, the winners

would be announced immediately thereafter and that all posters would be displayed for one week in a prominent downtown store window.

## Florida Bar Ass'n To Meet In Palm Beach

PALM BEACH—Approximately 600 lawyers, are expected to attend the annual convention of the Florida Bar here March 23-24 at the Palm Beach Biltmore Hotel.

Cody Fowler of Tampa, president of the American Bar Association; Judge Bolitha J. Lewis, chief justice of the U. S. district court for the District of Columbia, Chief Justice Harold L. Sebring of the Florida Supreme Court, and Carl Byoir of New York, famed public relations expert, will be the principal speakers during the convention. John T. Wigington of Tallahassee, president of the Florida Bar, announced the tentative program

for the convention. All lawyers in Florida are invited to attend.

John M. Allison of Tampa, now president-elect, will succeed Wigington as president of the Florida Bar at installation ceremonies on Saturday, March 24. A new president-elect will be chosen at the convention, to assume the office of president a year from now. William A. McRae of Bartow and Horner C. Fisher of West Palm Beach are candidates for president.

The theme of the convention will be methods for improving the administration of justice for the public benefit. Justice Laws will discuss "A Modern Judicial System," and Justice Sebring will discuss the "Bench and Bar and the Public." Byoir's subject will be "The Lawyer and Public Relations."

The Junior Bar section of the Florida Bar will meet at the same time, and will elect its officers on Saturday, March 24. Robert R. Tylander of West Palm Beach now is president.

"Mr. Watson, come here.

I want you."

"Mr. Bell, I heard every word you said—distinctly!"

...and the Telephone was born!

On March 10, 1876, in a boarding house in Boston, the telephone carried its first intelligible sentence. Alexander Graham Bell was about to try to send his voice over a new transmitter he had devised. His assistant, Thomas Watson, was in another room, holding a receiver to his ear. Suddenly, Mr. Bell upset the acid of a battery over his clothes. He called out, "Mr. Watson, come here; I want you!" An instant later Watson burst into the room, shouting, "Mr. Bell, I heard every word you said—distinctly!"

IN THE 75 YEARS since then, the Telephone industry has grown up to transform our everyday pattern of living. For millions, the telephone has become an indispensable aid—in business, government, the home, the farm, and in maintaining family and community ties.

These 75 years have brought an amazing parade of advancements in communication—switchboards, cables carrying hundreds of wires on poles or underground, the vacuum tube, the dial system, coaxial cable and microwave radio relay for transmitting hundreds of simultaneous calls or television

programs, telephone service to ships and vehicles.

Today America has 62% of the world's telephones and enjoys the most and the best telephone service in the world... another great achievement of American ingenuity under a system of free enterprise and individual incentive and reward.

Each year the telephone becomes more useful, and more essential to the prosperity and security of the nation. Today it unites the country, playing a vital role in mobilization and production for defense.

Here in the South, more than 52,000 skilled employees and nearly 3½ million Southern Bell telephones are on the job—more than twice as many as we had when World War II began. And there are four times as many Long Distance circuits. In all, we have built more than \$670 million worth of new facilities in a little over five years, and we're still busy at the job.

All this growth—and maintaining the financial strength to keep on expanding—will be increasingly important to the South and the Nation in the days ahead.—Southern Bell Telephone and Telegraph Company.

## Road Dept. Adopts 1951 Budget In Jax On Wed., March 21

State Road Dept. will adopt its permanent budget for 1951 at a meeting in Jacksonville on March 21, according to word received here by County Commission Chairman Paul Rardin, Canal Point. At that time, SRD will make revisions it deems necessary in its tentative budget approved several weeks ago, Mr. Rardin said.

Attending the Jacksonville meeting March 21 will be Mr. Rardin, Commissioners Kenneth P. Foster, Lake Lytal, West Palm Beach, John Prince, Lake Worth; Ben F. Sundry, Delray Beach; County Attorney Harry A. Johnston, and County Engineer J. M. Boyd, Mr. Rardin said.

"I feel confident that the tentative budget set up for Palm Beach County will be approved without much change," Mr. Rardin said.

### Russum - Shirley

Mr. and Mrs. Curtis Russum of Pahokee announce the marriage of their daughter, Miss Nina Frances Russum, to Jimmy Lee Shirley, son of Mr. and Mrs. L. L. Shirley, also of Pahokee.

The wedding took place at the Methodist parsonage in Kingsland, Ga., on Saturday, Mar. 3, with Rev. Herbert Ethridge, pastor of the Kingsland Methodist Church, officiating at the double ring ceremony.

Attendants were Mr. and Mrs. William Shirley of Gainesville, cousins of the bridegroom.

The bride wore a white crepe street-length dress with blue accessories, Mrs. William Shirley wore an aqua crepe dress with white accessories.

The bride is a graduate of Pahokee High School, class of 1950. Mr. Shirley graduated from Pahokee High School in 1943 following which he joined the U. S. Air Force. He also attended Florida State University Tallahassee.

Mr. and Mrs. Shirley will make their home in Pahokee where he is associated with Shirley Bros., Inc., manufacturers of concrete products.

## Young & Tender Love Is Class Play Theme

The last showing of the Pahokee High School Senior Class play, "So Very Young," will be in the high school auditorium this Friday night, curtain time, 8:15 o'clock.

The delightful three-act comedy of young and tender love was shown to the grade school children in a preview matinee Wednesday afternoon and had its first full-dress presentation in the auditorium last night. Mrs. Herbert Miller is director.

Between acts entertainment includes songs by the High School Glee Club under the direction of Edwin Leggett, vocal solos by Chandler McIlwain and piano selections by Rita Faye Hurt.

Admission price is 75c for adults and 50 c for students.

## John T. Pickett, Jr., Wounded In Action In Korea On Mar. 2

Mr. and Mrs. John T. Pickett, Sr., of Pahokee, received word Tuesday from the war department that their son, John T. Jr., had been wounded in action in Korea on March 2. No further details were given in the telegram, Mr. Pickett said.

Young Pickett is a graduate of Pahokee high school and has been in Korea with the Marines for about six months. His many friends in the Glades will be happy to know that the telegram told of wounds only instead of more severe things that have happened to thousands in Korea.

Believing that many of Young Pickett's friends will want to drop him a card while he is convalescing in a hospital in Japan, his address is printed below:

John T. Pickett, Jr.,  
Section Navy,  
3923 Airfleet, P. O.,  
San Francisco, Cal.

Mr. and Mrs. Herbert Thorneberry had as guests the past week her uncle and aunt, Mr. and Mrs. C. D. Beard, of Birmingham, Ala.

M. I. Keen and Jimmy Drew have returned from a visit with Mr. Rardin, Sr., Mrs. U. S. Keen, in Abbeville, Ga.

## Improvements Are Planned For SRD80

The first step in a road program to improve traffic between West Palm Beach and the Glades has been consummated in the opening, recently, of the rebuilt five miles of Road 80 between Loxahatchee and Twenty Mile Bend, according to County Commission Chairman Paul Rardin.

Other projects in the plan for improving Road 80, Rardin said, which are scheduled for construction this year, include reconstruction and widening of the pavement from Loxahatchee to West Palm Beach, a distance of 15 miles. Also in the Road 80 improvement is the planned resurfacing of the 14 mile section between Six Mile Bridge and Twenty Mile Bend and construction of a new bridge and approaches over Hillsboro Canal

at Six Mile Bend.

"With these improvements," Rardin said, "Road 80 will be better able to carry its heavy volume of traffic with a great deal more satisfaction to the thousands of Glades and East Coast residents who use it."

"This program results," the chairman continued, "from the co-operation of the State Road Department with the County Commission and the Palm Beach County legislative delegation in working out a plan to improve the situation, whereby the projects named have been included in the 1951 tentative budget of the State Road Department for execution this year."

In commenting upon work to be done in other parts of the county, including the East Coast area and sections of the Glades, Rardin concluded: "We have a number of items in the tentative budget planned for both sections and we feel sure the State Road Department

will realize the urgent need for several requests for building roads and new bridges. However, I feel that county-wide interest is sufficient in Road 80 to merit publication today of the SHR's tentative plans for improving 30 miles of it."

## Mrs. Ogle Becomes Member Eastern Star

A degree of the Order of Eastern Star was conferred on Mrs. Lucy Ogle of Canal Point at a meeting of the Pahokee OES Chapter in the Masonic Hall on Thursday night of last week.

Mrs. Mary Schlechter of Bella Glade, State grand representative of the state of Wyoming, was a guest of honor. Mrs. Dorothy Graham, who was in charge of the program, presented Mrs. Schlechter with a gift in behalf of the chapter. Mrs. Ruth Meredith sang a solo, accompanied at the piano by Mrs. Graham.

## When Nasty Colds Leave You WEAK AND RUNDOWN HADACOL CAN HELP

If Your System Lacks Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron, Which HADACOL Contains

When a nasty cold leaves you in a weakened and run-down condition, HADACOL can help build you up if your system is lacking in Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and iron, important elements contained in HADACOL. Many folks have found that this fine family formula helps overcome these deficiencies and soon they feel good again.

Mrs. A. Jiminez, 141 East 13th St., Port Arthur, Texas, gave HADACOL to her young son, Floyd, after he had recovered from a bad cold when she heard how HADACOL was helping folks suffering from deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and iron. It helped him so much in regaining his strength and energy that Mrs. Jiminez says she is always going to have HADACOL on hand for Floyd.

Here is Mrs. Jiminez's statement:

"My son Floyd was very susceptible to colds. He's eleven years old and he was run-down, didn't seem to have an appetite at all, and just simply lacked energy. I heard about HADACOL on the radio, and it was about this time that Floyd was just

recovering from a siege of a bad cold.

He was very run-down, lacked an appetite, and I started giving him HADACOL. After about a bottle and a half I could no longer see an improvement. His appetite picked up and he had increased strength. I think HADACOL has done wonders for Floyd, and can't praise it enough. I have continued to give him HADACOL and intend to always have it on hand for Floyd."

Men, women and children of all ages are praising HADACOL for supplying Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and iron which their systems lacked. Don't let that "After-Cold Run-down Feeling" drag you down—HADACOL can help you, too, if you suffer such deficiencies. Sold on a strict money-back guarantee. You'll feel great after the first few bottles you take or your money back. Trial size, \$1.25; large family economy size, \$3.50.

# Try this on your stereoscope!

WHEN THIS "VIEWER" was in the parlor, folks used to look at pictures like these.

They'd spend many an hour gazing wistfully at scenes of places they'd like to visit, things they'd like to do.

But, today, there's an invention that beats those stereoscopic pictures all hollow. No—it isn't television.

It's the Payroll Savings Plan—an automatic

method of saving that all but puts you on that liner and says "bon voyage."

So simple, so painless, so sure—the Payroll Savings Plan sets aside a small part of your earnings each and every pay day, puts it in United States Savings Bonds.

And those bonds grow and GROW. In ten short years they pay you back \$4 for every \$3 you put in today.

A self-fattening investment—guaranteed by Uncle Sam—that will let you do things for your family and for yourself that you could never do without such a convenient plan.

And, if you're not on a payroll, there's the equally convenient, equally profitable Bond-A-Month plan at your bank.

No matter how you look at them, U. S. Savings Bonds help to picture a bright, happy future!

It was announced Mrs. W. H. Rogers of the Lucy Jones Circle will be in charge of the special WMU program at the church Friday morning in observance of week of prayer. Members were urged to attend the cottage prayer meetings scheduled to be held Tuesday evening at the homes of Mrs. Paul Watson, Mrs. C. A. Batchelor, Mrs. H. H. Shirley, Mrs. Ora Powell and Mrs. C. F. Wooten.

## Christian Science Society

CHURCH OF CHRIST, SCIENTIST

Man as the child of God, made in the image and likeness of his creator, is explained in the Lesson-Sermon on "MAN" which will be read in all Christian Science churches next Sunday.

The following verse from Psalms (37: 37) constitutes the Golden Text: "Mark the perfect man, and behold the upright; for the end of that man is peace."

Among the Bible citations is Paul's admonition to the Ephesians "That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts; and that ye put on the new man, which after God is created in righteousness and true holiness." (Eph. 4, 22, 24).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "If the material body is man, he is a portion of matter, or dust. On the contrary, man is the image and likeness of Spirit; and the belief that there is Soul in sense or life in matter obtains in mortals, alias mortal mind, to which the apostle refers when he says that we must 'put off the old man' " (p. 172).

## STRIDES IN MUSIC

BOCA RATON — "Education in the schools and colleges has made the greatest strides in the realm of music during the past decade than ever before," Jack Mills of New York City, leading music publisher outside of the popular field stated in a recent interview at the Boca Raton Club where he and Mrs. Mills are vacationing. "The schools, colleges and universities have added more music courses to their curricula than in any other department and I do not think the day is far distant when degrees will be awarded in single instrument subjects," Mills said.

Hialeah's homstretch — second longest in American racing and tailor-made for horses which come from behind—proved to be happy running grounds for the "head-enders" the early part of the meeting. Front-runners won the first six feature races.

## Lions State Meet To Be Held May 20-22

JACKSONVILLE — The 1951 State Convention of Florida Lions Clubs will be held in Jacksonville May 20 through 22 with headquarters at the George Washington Hotel, it was announced today by Robert E. Hucker, chairman of the convention committee.

A local arrangement committee of 22 members selected from the six Lions Clubs in the Jacksonville area has been appointed and is already at work on a tentative

program for the convention which because of the present national emergency, will be predominantly a serious business session, Hucker said.

Edgar Armstrong, chairman of the reservations committee, urged that reservations be made as early as possible with members filing through their respective club secretaries.

Hucker stated that there are more than 160 organized Lions Clubs throughout the state and five district governors as follows: Roy W. Russell, Tallahassee; Charles R. Heas, Jacksonville; Al Richbaum, Mount Dora; John P. Crisp, Winter Haven; Emmett Roberts, Belle Glade.

## Car Shortage Is Closely Watched

ORLANDO—Florida growers of fruits and vegetables are finding themselves innocent victims of the recent railroad switchman's "sickness," according to LaMont Graw, general manager of the Florida Fruit and Vegetable Association.

Tying up of car movements has resulted in a serious shortage of refrigerator cars causing great difficulties in moving to market the remaining part of this state's vegetables, now reaching peak volume.

"In part," Graw said, "the shortage is because a number of the men actually were sick and, in addition, after the strike, the railroads concentrated on moving loaded cars, thereby delaying the return of empties."

The association is watching the situation closely and doing everything in its power to speed the return of empties to Florida.

## Tennis Teams Are Organized At School

Coach Jim Maynor has organized boys and girls tennis teams at Pahokee High School and practice was started at the courts in the city park Monday evening.

On the girls team are Joan Platt, Myra Baxter, Mary Hall, Martha Hal, Ann Thompson and Wynell Gillis. The boys team includes Carney Wilder, Ronnie May, Roy Spooner and Jack Thomas. Tentative games have been scheduled with Fort Pierce, Seacrest Vero Beach, West Palm Beach, South Broward and Clewiston.

A track team is also being organized at the high school by Coach Bill Howard.

## Girl Scouts Will Celebrate Founding

The Pahokee Girl Scouts will present a special program in the Pahokee High School gymnasium Tuesday, Mar. 13, at 7:30 p. m., in celebration of the 39th anniversary of the founding of the Girl Scouts of America.

All of the Pahokee troops will take part in the program, including Troop Five, composed of girls from the sixth to ninth grades, which was recently organized by Mrs. Robert Apelgren and Mrs. Rupert Mock, troop leaders. Members of Troop Five will act as hostesses and serve refreshments.

Mrs. Grady Barker, Girl Scout Committee chairman, will be in charge of general arrangements and Edward A. Jensen will act as master of ceremonies.

The Pahokee Girl Scouts are planning their annual finance drive which will start next week with a series of cookie sales.

Mrs. E. C. Johnson and Mrs. C. E. Dickerson entertained recently at Mrs. Johnson's home with a party and miscellaneous shower in compliment to Miss Nancy Seger, bride-elect of Milton O. Carpenter. Many lovely gifts were received by the honoree.

## Rardin Elected To Presidency State Commission Ass'n

Palm Beach County Commission Chairman Paul Rardin was elected President of the State Association of County Commissioners at the annual convention of the association held in Miami last week. Rardin served in 1949 as secretary-treasurer of the group and in 1950 as vice president.

Following his election to the presidency Rardin named Commissioner Robert L. Griffin of Fort Pierce as secretary-treasurer for the coming year. Also named for the new year was Commissioner Tom Marshall of Jacksonville, as chairman of the important legislative committee. Other committee appointments will be made within the next few days, Rardin said.

The association in convention went on record favoring several resolutions among which were:

"EARNEST STUDY" by the next session of the legislature of the lack of proper facilities in Florida for treatment and care of mental patients and feeble minded children.

INCREASE to "not less than 300 men" in the size of the Florida Highway Patrol (which now has 190 men), providing them with "a living wage" and preserve their present powers. This is something of a hot political potato. Sheriffs of many counties are zealous of the patrol and fearful it will encroach on their powers.

PRaise for the present State Road Department, and its chairman, Alfred McKethan, and all its district members, for farm-to-market road program and the giving of a say-so to the county commissioners as to where these funds will be spent.

The commissioners, who meet jointly with the county attorneys of the state, selected St. Augustine as the scene of next year's conventions.

## Pahokee Lions Hear Dr. R. V. Allison

Dr. R. V. Allison, head of the Everglades Experiment Station, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club.

Introduced by I. M. Lair, program chairman the speaker gave a talk on "Ramie and Kenaf, the Soft Fibers Grown in the Everglades."

The club adopted a resolution asking the State to change the slogan on future car license plates back to "Sunshine State." R. J. Schroder, club secretary, was instructed to send copies of the resolution not only to State officials but also to all Lions Clubs in Florida.

James W. Vann, vice president, presided in the absence of President Thomas Baldwin.

Kenney at the March meeting of the Canal Point Methodist Woman's Society of Christian Service held at the home of Mrs. J. S. Harrington, Sr., Tuesday afternoon, with the president, Mrs. W. K. Buchanan, presiding.

Mrs. Earl J. Jones gave a report on the Church Vacation School Training Conference which she attended at the Methodist Youth Camp near Leesburg, Fla., over the weekend. At the conference Mrs. Jones was chosen one of the four District Institute Leaders in the primary department.

Mrs. Earl Maxson was in charge of the devotionals. Mrs. Mannie Maxson, Mrs. Laura Vorhees and Mrs. L. J. Jones were visitors.

## Atty. Claude Jones Opens Law Office

Claude S. Jones, a former Pahokee resident and graduate of Pahokee High School, has opened a law office in the Sanders Building Belle Glade. Claude has many friends in the Glades who will wish him a lot of success in his law practice.

The young attorney attended the University of Florida before entering the service to Uncle Sam where he spent three years during World War II. From 1946 to 1947 Claude was Veteran Service officer in the Glades section of Palm Beach county. He received his law degree from the University of Miami.

The Everglades News predicts a brilliant career for Attorney Jones and joins his Glades friends in wishing him success.

## Indian Missionary Heard By Pahokeeans

Mrs. W. D. DeHass, missionary at the Seminole Indian Reservation near Dania, was guest speaker at the March meeting of the Pahokee First Methodist Woman's Society of Christian Service held at the church Monday afternoon. Introduced by Mrs. C. A. Canipe, Mrs. DeHass told of her work at the reservation and illustrated her talk with colored motion pictures.

Mrs. Ruth Meredith, president, named chairmen of the five circles, Mrs. Ernest Maxwell, Mrs. L. W. Armstrong, Mrs. Arch Blakey, Mrs. Leon Spooner and Mrs. Hugo Boe, on a nominating committee to recommend a new slate of officers. Mrs. Howard Holman was appointed secretary of literature and publications, replacing Mrs. I. J. Frasure, Jr., who has moved to West Palm Beach.

The group voted a \$25 contribu-

tion to Kennard College, Lahore, Indiana, and also authorized funds for the purchase of two coffee urns for the church kitchen.

It was announced each circle will sponsor a toy shower for the benefit of the church nursery and greeting committees will be in charge of the guest book at the church door.

Plans were made for a special "time apart" meditation service to be held from 7:30 to 8:30 p. m., Mar. 20, in observance of Holy Week. The group decided to conduct the April meeting on Mar. 23, one week earlier than the scheduled date. Mrs. Emma Wheeler was in charge of the devotionals.

Hollywood-by-the-sea. — Florida will stage its annual Fiesta Tropical this year March 15-16. Everyone in the community is urged to wear Spanish costumes and masks will be worn by all participants. Parades and street dancing will be featured during the two-day event.

## The New County Park Building At Canal Point Is One More Step Forward

Dedication of this handsome New Park Building on Sunday is another step in the Progress of the Glades. Naturally, we are happy to have had a part in erection of this new community center. We furnished the concrete blocks, concrete joists, and concrete window frames in the building. The beautiful Park Building is built for permanency and lives up to our motto: "Build to Stay the Concrete Way."
